- Completed a Master's degree in the requested subject.
- (International) Teaching Qualification / Certificate that qualifies for accreditation according to the Dutch educational system.
- Excellent command of the English language.
- Experience of teaching in IB-MYP and IB-DP will be preferred.
- Only applicants who have a residence/work permit in the Netherlands and a "Verklaring van goed gedrag" (VOG) will be required upon appointment.

Competencies and profile:

- Be able to communicate effectively with all members of the school community.
- Participate fully as a team member in subject group and whole school.
- Encourage students to discover and develop their talents.
- Show intercultural awareness.
- Play a significant role in the mentor programme.
- Engage in service learning activities and run an after school club.
- Promote experiential learning, exposing students to the business and the creative world.
- Promote a culture in school leading to welfare of society at large and dedicated world citizens.

Remuneration:

The package will be commensurate with the responsibilities of the position and will include the following elements:

- Salary depending on previous experience and qualifications (based on the Dutch CAO VO (Collective Labour Agreement Secondary Education).
- ABP Retirement/Pension scheme.
- School closure Holidays.
